WPMS No. 3386 of 2001
(Old No. 9577 of 1986)
HON'BLE RAJESH TANDONJ.

By the impugned order, the Additional District Judge is directed that the release application may be disposed of.

The writ petition is fully covered by the judgment of the Apex Court and therefore I do not find any infirmity with the order.

From the perusal of the record it appears that the petition has become dismissed by afflux of time.

Petition dismissed.
